Call It North Country: The Story of Upper Michigan (Great Lakes Books Series) John Bartlow Martin

John Bartlow Martin, a freelance writer who had spent long weeks in northern Wisconsin and Michigan, was struck with the idea of a book on Michigan's Upper Peninsula when he was there on his wedding trip. Returning each summer to the area, Martin discovered the region's diverse history, full of colorful and interesting personalities and events. The territory has been wilderness, a haunt of the Chippewas and the Hurons, copper country, iron country, lumber country, and lastly, a vacation land.

Filled with stories of adventure and daring, Call It North Country recounts the lives of miners, hunters, trappers, and lumberjacks- the hardy breeds who first populated the harsh land of the Upper Peninsula.
