The beauty of these fanciful creations will take your breath away — and inspire you to bring the colors and textures of nature into your own home.

Photographer David Ellwand's eye for natural beauty has brought him international renown. In this stunning new volume, a follow-up to FAIRIE-ALITY: THE FASHION COLLECTION FROM THE HOUSE OF ELLWAND, he uses the same gorgeous array of natural elements — feathers, flowers, stones, shells, and more — to explore the limits of imagination in home design as well as haute couture. Partly an inspirational sourcebook for imaginative DIY projects, partly a showcase of unique fantasy fashion, FAIRIE-ALITY STYLE is an eco-designer's dream — the ultimate exploration of truly organic materials.
