Money can't fix this dilemma—but love might

No falling for the ex...

Jake Monroe became the most eligible rancher in Wrangler's Creek, Texas, at the drop of an inheritance. With land, horses and a fortune to protect, he can't let gold diggers into his pockets. But he *can* let people believe he and his ex are back together while she's in town working on the ranch. Trouble is, faking a relationship with Lily Rose Granger isn't nearly as hard as pretending their desire isn't real.

No sleeping with the boss...

Playing pretend isn't supposed to be so complicated, but Lily Rose won't give up. She's determined to prove to everyone that she's the best horse trainer around—and prove to herself that she's moved on from Jake. All she has to do is stay out of the cowboy's bed...or trust that this time around he's worth every risk.
