Dick Morris

Rewriting History Dick Morris

A smart and scathing bestseller: former Clinton adviser and confidant Dick Morris offers a response to Hillary Clinton's biography - to expose the history of lies and obfuscations this very controversial politician has left in her wake...

In *Rewriting History*, Dick Morris had his biggest bestseller in years--and with its subject, Hillary Clinton, perennially in the spotlight, this smart and scathing rebuttal to *Living History* is sure to have a robust life in paperback as well.

A long-time adviser to both Clintons, in *Rewriting History* Dick Morris turns his sharp-eyed gaze on Hilary, the former first lady, current New York Senator, and bestselling author. For, as he argues, no politician in America today is better aligned to become president in 2008--and none would bring more baggage to the White house--than Mrs. Clinton. Drawing on his own long working relationship with the Clintons, as well as his trademark deep research and candid, non-partisan analysis, Morris pierces Hillary's mask to get at the truth behind the distortions and omissions of her memoir. Here we meet the real Hillary, both good and bad: the manager who makes the trains run on time, but also the paranoid who sees all those who disagree with her as personal enemies; the idealist, but also the "advice addict" easily misled by the guru of the moment. Morris describes Hillary's sense of entitlement, and warns that it may lead deep into financial scandal. And he demonstrates how Hillary dodges criticism by pretending that every attack is directed not just at her, but at every working woman in America.

Ultimately, Morris argues, Hillary Clinton faces a choice. Will she, like Bobby Kennedy, see the error of her ruthless ways, and embrace the sincere idealism she professes? Or, like Richard Nixon, will she allow the darker angels of her nature to overcome her, jeopardizing herself and the country in the process? As *Rewriting History* suggests, we can only hope that her past performance is no guarantee of future results.

o For political buffs.

o Dick Morris's credibility as an insider--from his years of experience as an advisor to politicians of every stripe, to his own extensive interactions with the Clintons in the years leading up to and during Clinton's presidency--makes Morris's book the most qualified analysis of, and answer to, Senator Clinton's bestselling memoir.

Do you want to try this extraordinary investing spare time activity?

Susan Granger:

Don't be worry should you be afraid that this book will certainly filled the space in your house, you will get it in e-book technique, more simple and reachable. That Rewriting History can give you a lot of good friends because by you taking a look at this one book you have thing that they don't and make you actually more like an interesting person. That book can be one of one step for you to get success. This guide offer you information that probably your friend doesn't realize, by knowing more than other make you to be great people. So , why hesitate? We should have Rewriting History.

Lynn Gallagher:

That guide can make you to feel relax. This kind of book Rewriting History was vibrant and of course has pictures on there. As we know that book Rewriting History has many kinds or category. Start from kids until teens. For example Naruto or Private investigator Conan you can read and believe that you are the character on there. Therefore , not at all of book are usually make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you and try to like reading this.

Carlos Tabor:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Rewriting History can make you feel more interested to read.
