Seven Years to a Better Tomorrow: 2011 to 2018 - God's Longsuffering Continues During Great Tribulation Marty Cattuzzo

Read the book before it happens- Does Judgment on the fallen houses of God come in the year 2015 near the anniversary of the cross of 33 A.D.? Are we living in the final seven years of history-a time of God's longsuffering? "Seven Years to a Better Tomorrow" details how the patterns of past Biblical history fit within the years 2011 to 2018. The years of Darius, the time of Great Tribulation, the double fulfillment of the 1,335-day prophecy of Daniel and more... all relate to the years 2011-2018. Does a worldwide Pentecost occur in the year 2015? Are the blood moon eclipses on Passover and Pentecost in the year 2015 signaling judgment on the fallen houses of God worldwide? "Seven Years to a Better Tomorrow" is written for the believer in Christ and non-believer alike as we all approach the great reversal when God will "shake the heavens and the earth." Are the "left behind" and "silent rapture" teachings of the modern-day churches accurate according to the Bible? This information is critical for every believer in Christ to be watching as proclaimed by Jesus: "And what I say unto you, I say unto all, watch." These patterns are astounding as revealed by God, through the study of His Word. Discover for yourself what the Bible teaches before it comes to pass. The time is now to watch!
