Angel Williams had a hard life growing up. With a junky for a mother who would sell her just for a quick fix and an absentee father, life was unbearable. At a young age, Angel learned to fend for herself to survive this cold, cruel world. With her less than perfect childhood, it's no surprise that her attempts at love failed; making her come to the realization men DON'T love, they only care about the pleasurable favors one could offer them. To endure heartbreak and the life that was forced upon her, she created an alter ego... SYN. Syn, unlike Angel, was built to deal with any situation. The only thing that mattered to her was sex and money. Growing up in an abusive home, Parker James became void of all feelings, which caused him to live reckless and not care whether he lived or died. Until one day he walked into a strip joint and his eyes landed on her. The pain and loneliness in her eyes pulled at the strings in Parker's heart, giving it an unrecognizable double beat. She caused something to stir in him, and he knew he had to have her, and he was willing to do whatever it took to get her.
