101 Curses is an incredible collection of spells, and whether you intend to curse anyone or not, this book would make a marvelous addition to any Magic or occult book collector's library. This book is a rare treasure trove of hard to find curses, suitable for almost anyone, whether they are new to the Magickal Arts, or are a seasoned practitioner. Some of these curses are so rotten, I'm ashamed to list them, so you will just have to buy it to find out the evil you could do with this diabolical collection! I feel for the person who angers you after you get this book! It contains an eclectic blend of curses from around the world, and is sure to have a curse for everyone on your naughty list. Spells 1-45 are traditional type spells which require components, most of which are easy to find household items. They include easy to-follow, precise instructions on how to perform the spells from start to finish. Some of the spells even have reversal methods included in case you want to back out and stop what you have unleashed. Spells 45-101 are a fun collection of time honored Irish Curses, which are easy to perform and need no preparation whatsoever. Just spout them out to your intended victim, and your Magick is done. This Huge compilation of over 100 spells covers a wide variety of subjects including curses used for breaking up relationships, love affairs, friendships, marriages, courtships, curses to cause bad luck in gambling, cause someone to lose their home, lose their job, decrease someone's stock, cause someone to become ugly, develop boils, catch the measles, mumps, shingles, break a limb, cause insanity, personal injury, depression, nightmares, headaches, and much more. There are also curses included especially for lawyers, teachers, judges, police officers, politicians, and others. There are also binding spells for when you want to take preventative measures against someone. This is a great book for the aggressive Magician.
