What you do in the dark is your business. Keeping it buried is hers.

Jay Nova is a private investigator with a unique talent; **she can read minds.**

But she can't control when it's triggered, what it reveals, or the blinding pain it causes.

Especially the pain.

The powerful stories in this illustrated crime collection are *Street Sweeper*, *Cross Pattern*, *Down the Line*, and *Pressure Points*.

They include slick black and white illustrations and colorful dialogue that will thrust you into the crime-ridden streets where violence and lies are tools of the trade and each moment can be your last.

Vicious crime lords, kidnapped children, hidden secrets, violence, and foul play; just another day at the office of Light Star Investigations.
