Even Me PAIN . . . HOPE . . . CONFUSION . . . LOVE? Not long after a group of college friends start their junior year, a series of events are set in motion that will change their lives forever... Rondell is a good-looking, smart, confident young man who seems to have it all, but he hides the pain of his past. He grew up in the foster care system and experienced a series of traumatic incidents that rocked him to the core. He made it out of that life, but it hasn't let go of him yet. Faleesha has just transferred to this college to make a fresh start. She is focused on building her relationship with God and leading others to Christ, but she encounters many stumbling blocks – distractions, persecutions, drama, and a growing attraction to Rondell that excites her and scares her at the same time. Gesston has had enough. He's grown up in church, and Jesus is all he knows. He has friends but no girlfriend, a good reputation but no street cred. He meets Faleesha and is convinced she is the woman for him. Shelly's been in a number of relationships, none of them good. She's tired of players and wants true love, the kind of love her friend Rashonda has with Tyrone, but she just can't seem to find her soul mate. Then Gesston asks her out, and Shelly is sure that she has found the man of her dreams. But Gesston can't hide the truth forever, and everything unravels the more he tries.
