His to Protect: A Fireside Novel Stacey Lynn

A warm home for broken hearts, the Fireside Grill serves up hope and healing in equal measure. Stacey Lynn's sensual, deeply emotional series heats up as a jaded restaurateur falls hard for a woman who's hiding from a damaged past.

Declan James lost his last ounce of trust the day his wife walked out the door, leaving him to save the restaurant they built together. Throwing himself into his work, Declan swears off women—or at least, women who expect him to stick around in the morning. But when he discovers a skittish beauty scrounging through the Fireside's trash to feed her dog, Declan offers her a job and a place to rest her head. There's just something about her that awakens his protective side. And soon, not even that mangy mutt can stop Declan from caring for her.

After one too many trips to the ER, Trina Wilson finally gathered the courage to leave her husband, taking only her car and hyperactive boxer. Unfortunately, life on the run proves harder than she anticipated—until Declan takes a leap of faith on her. But even as Trina starts to see beyond his gruff exterior, she can't relax, even for a moment. Not with her husband still tracking her down. What Trina doesn't know is that in Declan, she has a powerful ally—and, if she would only follow her heart, a devoted lover.
