Second Edition - The fundamental difference that sets the Mormon Church apart from all truly Christian churches is the sinister and self-serving distortion of the very personality and character of the Lord Jesus Christ. For Mormonism to be true, Christ Himself must be corrupted into one who authorized horrible behavior, thus rendering the past Mormon Prophets completely blameless concerning the motivations for their unspeakable actions. Within the formal teachings of the Mormon Church, Jesus Christ Himself, and not the Mormon Prophets, is the author of polygamy, polyandry, and blood atonement. Under His direction alone, Joseph Smith Jr. was “commanded” to take some thirty-three wives, two as young as fourteen years of age. Mormons are instructed that it was the Lord, and no one else, who required Joseph to take the wives of eleven other men as his own (known as polyandry), as well as two sets of sisters and a mother and her daughter as his wives, while at the same time attempting to become president of the United States of America. Brigham Young, as the living prophet of God, taught through “divinely inspired revelation” the core principles of “blood atonement.” Reportedly under direction from the Lord Jesus Christ Himself, Brigham instructed that some sins of this world required the neck of the sinner to be slit from ear to ear so that the sinner’s blood could atone for certain violations of Mormon doctrine. Mormons are taught that Brigham Young also was commanded by the Lord to take fifty-five wives, including some previous wives of Joseph Smith. Defense of these disgusting misrepresentations of the very nature and character of the Lord continues today within the walls of Mormon chapels and Mormon temples throughout the world. This book examines real-world examples of how these beliefs are covered up so that the Church of Jesus Christ of Latter-day Saints might better hide among true believers in the compassionate Savior of all mankind, Christ Jesus. He and His holy name have been disgracefully used so that self-centered men might gain some measure of power, prestige, and perversion. This book recounts the true-life experiences of a Mormon Bishop, who for over thirty years was a High Priest, Elders Quorum President, and a member of three High Councils for the Church of Jesus Christ of Latter-day Saints, the Mormons. He has participated in hundreds of Mormon Temple Endowments and witnessed firsthand the practice of ceremonial rituals in which the taking of human life was mimicked, all in the name of Jesus Christ.
