Nocturnal Creatures Zena Larsson

Alex had grown up hiding his cat ears and tail. It was easy if he didn't get close to anyone. But when his crush, Victor, also known as the most handsome guy in college, starts to take an interest in him, Alex can feel himself slipping. The more he gets to know Victor, he realizes that he's not the only one hiding something. Victor doesn't like to socialize much in spite of being popular. He's the kind of person who once he's set his eyes on something, won't stop until he gets what he wants. And he's set his sight on Alex. Neither Alex nor Victor could be called normal humans, each of them being an abnormal person that sets them apart from everyone else including each other. Will they be able to accept each other and face the challenges being together brings?
