One Last Job: With Vengeance Mr Daniel James

Dan, a career criminal wants, needs, out of the world of crime that has been his life for so long. The last job, he promised Berenice, would achieve just that. Choosing the wrong day for the job saw it become a promise he could not keep. With desperation setting in by the loss of two of his crew and no financial gain, topped with losing the love of his life, he has no alternative but to arrange one last job. The job, executed perfectly, achieved its aim and financial freedom was finally within his grasp. Planning his new crime free life came easy, until, one of his trusted crew arranged to have him murdered and brutally slaughtered his best friend. In hiding, the world believing him dead, it had taken three years to devise the revenge he would meticulously deliver. Ruining the man responsible, relieving him of capital and power, was the goal. As events unfold, twisted rage surging through every sinew of his being, it would see Dan commit the most brutal crime of his life. Cold bloodied, calculated murder. For the man who would ultimately succumb to his merciless wrath, death will be excruciating, and in the most heinous way imaginable.
