Tokyo Ghoul : Past Shin Towada

Explore the world of *Tokyo Ghoul* with these prose fiction spin-offs!

Ghouls live among us, the same as normal people in every way—except their craving for human flesh.

Ken Kaneki is an ordinary college student until a violent encounter turns him into the first half-human half-ghoul hybrid. Trapped between two worlds, he must survive Ghoul turf wars, learn more about Ghoul society and master his new powers.

Before the steel frame incident in the 20th Ward, there were reports of Ghouls lurking among the masses in Tokyo, carefully stalking their prey. This novel covers the events that occurred before the opening act of Tokyo Ghoul—a time when Kaneki was still human, the Kirishimas still lived together, and Rize enjoyed her feasts.
