The new novel from the bestselling author of *Wind River Wrangler*

Something to hold on to . . .

Not so long ago, Reese Lockhart was commanding a company of Marines. Now his life is spiraling out of control. The Bar C ranch outside Jackson Hole, Wyoming may be his last chance to save himself . . .

Shaylene Crawford, an Afghanistan veteran herself, knows all too well the demons of PTSD—that's why she's determined to turn her family's cattle ranch into a place where wounded warriors can work, find a home, and rebuild their souls. Her embittered father nearly drank and gambled the place away, but with help from a small crew of vets—including the newest arrival, the quietly compelling Reese Lockhart—she intends to hold on to her dream. And when someone tries to destroy that dream, Reese will do whatever it takes to defend her . . .
