Brain-Powered Lessons to Engage All Learners Level 6 LaVonna Roth

Ignite your fourth graders' minds and passion for learning with interactive, level-appropriate lessons across all content areas! Brain-Powered Lessons to Engage All Learners is a valuable teacher resource that provides necessary research and background information, including easy tips on how to fire up the brain. With strategies that range from incorporating movement and brainstorming to developing kinesthetic learning and content that includes causes of World War I, the solar system, and prose writing, and utilizing scientific tools, your fourth graders will dive into an engaging and motivating learning experience that includes formative assessments to evaluate student understanding after each lesson.

About Shell Education

Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
