What does it mean to be the Executioner? Is it the struggle between good and evil, and the fulfillment of a Gypsy legend? For Robin, it's simply another day in the park in downtown LA. It's killing the undead as she attempts to juggle life and love the same as any other ordinary woman would. That is until she meets Gordon, a crazed demon with a conscience. Now she must battle an ancient evil far more powerful than she's ever faced before, or risk losing the world to Lilith, the mother of all vampires. Will she save mankind? Or will we all follow the ashes of destruction as we burn in Hell?
