Napoleon: A Biography

Frank McLynn

Napoleon: A Biography Frank McLynn

“A brilliant biography which will surely become a classic life of Napoleon.”—*The Times* [London]

Author McLynn explores the Promethean legend from his Corsican roots, through the chaotic years of the French Revolution and his extraordinary military triumphs, to the coronation in 1804, to his fatal decision in 1812 to add Russia to his seemingly endless conquests, and his ultimate defeat, imprisonment, and death in Saint Helena. McLynn aptly reveals the extent to which Napoleon was both existential hero and plaything of fate, mathematician and mystic, intellectual giant and moral pygmy, great man and deeply flawed human being.

As Napoleon’s obsession with his family surfaces and his conviction that every man has his price, the emperor emerges as a figure closer to a modern Mafia godfather than a visionary European. In this work, McLynn brings the reader, as never before, closer to understanding the much mythologized Napoleon. 16 black-and-white illustrations
