In the untamed and unforgiving desert of southeastern Utah, Mitch Westland and Edie Zimmer are among the Mormon settlers determined to make their homes amid the harshest of circumstances. Threatened by Indians, competing ranchers, and cattle rustlers, the young couple must prevail against man, nature, and their own fears in order to fulfill their dream of establishing a ranch—and a family—of their own. This sequel to the bestseller *Only the Brave* covers the time period of 1888 to 1919 and merges the story of Mitch and Edie with the author's continuing series *Fire and Steel*.
