What would happen if time, the fragile thread that both leads and binds us, could be unwound as simply as untying a knot? Would we go back, charging through our own history, changing and tweaking, plucking at that fragile thread until time itself unraveled all around us? Would we create countless universes through which we could live our fantasies? or would we become our own nightmares? Would we blaze ahead, reckless and wild, into our own futures? Would we become our own heroes, or would we become villains?

Join us for a series of stories that explore time, through the eyes of those bold enough to conquer it, and foolish enough to try to control it. From the award-winning team of authors at Clean Teen Publishing, TWISTS IN TIME will both entertain and challenge the way you see the world around you. Because when one finds a way to break the barrier of time, endless worlds of possibilities emerge.
