Campaigns and Cruises, in Venezuela and New Grenada, and in the Pacific Ocean: From 1817 to 1830, Vol. 1 of 3 (Classic Reprint) Unknown Author

The author of the following pages has endeavoured to lay before the reader a brief and unvarnished narrative of events, as they occurred under his own observation, during a long residence in South America, with a general description of the countries through which he passed; and has given anecdotes connected with the Campaigns and Cruises which he witnessed, and with the celebrated chiefs under whom he served. The authenticity of these particulars may be relied on; for the writer has related such facts only as he can vouch for from his personal knowledge, or has derived from unquestionable sources of information, in the countries through which he travelled.
