Caring Liturgies: The Pastoral Power of Christian Ritual Susan Marie Smith

Caregiving practices in churches often center around listening and giving counsel, making referrals, and creating support groups for specific needs. In *Caring Liturgies*, Susan Marie Smith proposes that Christian ritual is both a method and a means for helping people through liminal times of transition and uncertainty, even vulnerability and fear. It teaches readers to recognize the ritual needs of fellow Christians and thus create post-baptismal rites of passage and healing that might strengthen and support them in the fulfillment of their ministries.
