Carta De Batalla Por Tirant Lo Blanc / Tirant Lo Blanc's Battle Letter (Biblioteca breve) Mario Vargas Llosa

Vargas Llosa reveals the power of the written word, the abstract and subtle passion of Tirant lo Blanc, a novel he considers to be one of the most ambitious and modern amid the classics. The three essays that make up this book spring from an uninterrupted, enthralled and passionate relationship with Tirant lo Blanc: The first deals with the work as a whole, the second offers a more personalized view of Joan Martorell, and the third defends the significance of "the words" in the novel. These three essays bring us closer to the fine and intelligent analysis of a literary critic, to the novelist who looks at another novelist and recognizes himself in him. But above all, they draw us into the passionate devotion of a reader that defines himself as the "most faithful champion" of this universal literary classic. Description in Spanish: "Entre los muchos atributos del Tirant lo Blanc el que mas admiro es su ambicion. Esa voluntad decidida de recrearlo todo, de contarlo todo, desde lo mas infinitamente pequeno hasta lo mas desmesuradamente grande que la mirada, la imaginacion y el deseo de los humanos pueda abarcar." Mario Vargas Llosa En este libro Mario Vargas Llosa nos descubre el poder de la palabra, la pasion sutil y abstracta de Tirant lo Blanc, considerada por el como una de las novelas mas ambiciosas y modernas de entre las clasicas. Estos tres ensayos nacen de una ininterrumpida, apasionante y apasionada relacion con Tirant lo Blanc. El primero aborda la idea de la novela total, anunciada quinientos anos antes en este libro de caballerias: "Es la novela total. Novela de caballerias fantastica, historica, social, erotica, psicologica: todas esas cosas a la vez y ninguna de ellas exclusivamente." El segundo ofrece una imagen mas personal de Joan Martorell a traves de sus cartas. El tercero defiende la importancia de "las palabras" en la obra. Tres ensayos que nos acercan al critico literario, de fino e inteligente analisis, al novelista que mira a otro novelista y se contempla en el, pero sobre todo es la apasionada entrega de un lector que se define como el "mas fiel valedor" de este clasico de la literatura universal.
