The Contemporary Tibetan Art wall calendar features the work of twelve Tibetan artists who offer an exciting glimpse into a new realm of Tibetan cultural expression. While Tibetans have little say in many of the rapid changes being driven by the Chinese government in Tibet, they have been dynamically active in areas such as music, art, literature, and film, working not only to preserve their culture but also to redefine and push the boundaries for new meaning and expression of Tibetan identity in the 21st century.

- A year of spectacular Tibetan contemporary art on your wall.
- Frameable artbook-quality printing.
- The perfect inspirational art gift for those interested in Tibet and the preservation of the Tibetan culture.
- Your purchase of this calendar provides funds for ICT to further its work to promote the human rights and democratic freedoms for the people of Tibet.
- Printed on FSC® Certified Mixed Source Paper with soy-based inks.
- Published by Amber Lotus, an independent carbon-negative US company that has planted more than half a million trees since 2008.
- This calendar features US and Canadian legal holidays, phases of the moon, and important observances of the world's major religions.

Founded in 1988, the International Campaign for Tibet (ICT) works to promote human rights and democratic freedoms for the people of Tibet. ICT is a nonprofit membership organization with offices in Washington, DC; Amsterdam; Berlin; Brussels; London; and Australia, in partnership with the Australia Tibet Council. ICT is openly supported by Richard Gere and Uma Thurman.
