## **First Epiphany Of The Time Vandal** M. E. Bowling

Dr. Elijah Snow wanted to record history, not become a part of it. But after stealing the T714 time-displacement craft from his US Air Force benefactors, he quickly found out that witnessing an event without participating in it was easier than it sounded. Accompanied by his stubborn A.I. 'Fuzzy', Dr. Snow sets out to document the major historical occurrences which had always intrigued him. From the voyage of the Nina, Pinta and Santa Maria to the Battle of Austerlitz, he does his best to record without getting involved. Invariably, though, he ends up becoming embroiled in these events, time and time again, never failing to leave his footprint on the pages of history.
