Mythology Edith Hamilton

Since its original publication by Little, Brown and Company in 1942, Edith Hamilton's Mythology has sold millions of copies throughout the world and established itself as a perennial bestseller in its various available formats: hardcover, trade paperback, mass market paperback, and e-book. Mythology succeeds like no other book in bringing to life for the modern reader the Greek, Roman, and Norse myths and legends that are the keystone of Western culture - the stories of gods and heroes that have inspired human creativity from antiquity to the present.
