Younger children don't always understand the importance of sharing, both for their own benefit and the good of their friends and playmates. This book shows and tells them why it is important to share with others. Titles in the enlightening and entertaining *Why Should I?* series of picture storybooks answer questions that younger boys and girls are likely to ask about a wide range of topics. Part of every child's development consists of asking questions about themselves, their friends and neighbors, and their surroundings. *Why Should I?* books help them discover good answers. Kids will be attracted by the amusing color illustrations on every page, and parents and teachers will appreciate the note at the back of each book offering further suggestions on answering children's questions.
