## **Adam J. Kurtz Then and Now Undated 12-Month Agenda with Stickers** Adam J. Kurtz

Created by Adam J. Kurtz, graphic designer, artist and author of the international bestseller *1 Page at a Time*, this agenda is whatever you want to make of it. It's undated so start any time. Start now! Just fill in dates as you go and don't stress out if you miss a week here and there. Track the good stuff, scribble out the bad, count your blessings or vent a little—it's just paper and there's plenty of it, so take as much space as you need. Weekly spreads, monthly pages and tiny reminders will keep you focused on your goals... maybe?? If not, the elastic closure, inside pocket and six sticker pages in the back should do the trick.

Life can be a lot sometimes. Plan ahead so you have things to look forward to and don't worry about the past because that was then and this is now.
