The Complete Realistic Numerology Mr A Grieveson

This book is like no other book on Numerology as it gives you real data, collated from over 250,000 calculations on how the numbers relate to professions. If you want to know a realistic version of the history of Numerology then this book is a must. Using the research Alan did over thirty years he has devised a new method that uses the numbers in different ways. Using several illustrated interpretations he shows how the numbers highlight strengths and weaknesses in our personalities.
