Modern-day life and our highly stressed, risk-averse society has led to a medicalised, fearful model of childbirth, one that has stripped the process of its wondrous magic. In this groundbreaking book, consultant obstetrician Dr Amali Lokugamage discusses ways in which every woman can aim to give birth in the most natural, supportive way possible, and looks at the wider implications for society at large. This is an exploration into the roots of human love and social cohesion.
