## The Penny-Pinching SHTF

### Spend Less, Save More, Be a Smart Prepper

In the turbulent environment of today, times are hard for just about everyone. We get a bad case of sticker shock from what we see at both the grocery store and the gas pump. We don't know how we are going to be able to pay for the expenses that loom before us. If only you had a way to reduce the amount of money you spend right?

Well, look no further than this book, because the information you will find in these pages will serve to alleviate much of that sticker shock, and give you an alternative to the price gouging activities of the grocers and utility companies alike. This book gives you some of the best strategies and tactics when it comes to cutting corners, and pinching pennies while you stock up for disaster!

Here is what you will learn in this book:

- Save on fuel cost
- Grow your own food
- Use Renewable Energy
