Dalhart Windberg

The Windberg Technique Of Oil Painting Dalhart Windberg

"This book is not for beginners. It assumes the artist has had several years of serious instruction in things like composition, color harmony, and value contrasts. In other words, I am not going to teach you how to grade a sky or shape a tree or paint a face, I am going to show you how to paint a smooth canvas painting without evidence of brush strokes. This technique is no more than that, and should not be construed to be more than that. I can help you with the technique which will, in turn, allow you to accomplish those soft edges and will give you an ability to blend and smooth paint, but you have to supply the art."
