Doctor Who and the Horror of Fang Rock: 4th Doctor Novelisation Terrance Dicks

On a remote rocky island a few miles off the Channel coast stands Fang Rock lighthouse. There have always been tales of the beast of Fang Rock, but when the TARDIS lands here with Leela and the Doctor, the force they must deal with is more sinister and deadly than the mythical beast of the past. It is the early 1900s, electricity is just coming into common usage, and the formless, gelatinous mass from the future must use the lighthouse generators to recharge its system. Nothing can stop the Rutan scout in its search and experimentation on humans. Unabridged. Read by Louise Jameson, who played the fourth Doctor's companion, Leela.
