Little Book of Memories (Volume 2) Lyn Murray

Little Book of Memories, Vol. 2 continues the series of family oriented stories that bring back lost times remembered fondly. As part of her heritage unfolds, Lyn takes readers into the past for a glimpse of times gone by—times that will never come again, but times that live in the hearts of every one of us. There is nothing as important as family in shaping lives—and when family values are based on loving traditions that span generations, there is nothing more lasting! The very reason Lyn wrote the Little Book of Memories series. Not only does she share her memories of the people who shaped her core beliefs—but she introduces them in a way that lets you know we are all pieces of the same human puzzle, intricately woven together as the family of man—in this our journey of life. As always—Lyn writes for you!
