Lone Star Blue and Gray: Essays on Texas and the Civil War

Lone Star Blue and Gray: Essays on Texas and the Civil War

From the bitter disputes over secession to the ways in which the conflict would be remembered, Texas and Texans were caught up in the momentous struggles of the American Civil War.

Tens of thousands of Texans joined military units, and scarcely a household in the state was unaffected as mothers and wives assumed new roles in managing farms and plantations. Still others grappled with the massive social, political, and economic changes wrought by the bloodiest conflict in American history.

The sixteen essays (eleven of them new) from some of the leading historians in the field in the second edition of *Lone Star Blue and Gray* illustrate the rich traditions and continuing vitality of Texas Civil War scholarship.

Along with these articles, editors Ralph A. and Robert Wooster provide a succinct introduction to the war and Texas and recommended readings for those seeking further investigations of virtually every aspect of the war as experienced in the Lone Star State.
