Andrea is expecting a night of drinking and party games with her two friends. Rachel has different plans, and a toy chest full of bondage fun to start things off. But not everything in the chest is what it seems. A unique web site sells custom statues. Send in photos of yourself, and they will make one of you, bondage gear included. Be careful to read the fine print if you order one. Five girls gather for a fun night in, but their plans quickly fall apart. An innocent accident traps them in a supernatural house of keys and mirrors. Now they have to find a way back home, but the house's mysterious host has other plans. Every step back leads the girls deeper into a web of bondage and magic.
