Death Wish: The Path through Addiction to a Glorious Life Steve Chandler

It felt hopeless to me.

But it turned out there was freedom available to me that I never knew about. And I never would have believed it unless it had come from someone who had been there. Someone willing to share the dark side with me.

I'm not proud of any of this. This is not a tribute to me. It's an attempt to reach someone who is still suffering like I was. Someone who is also not proud right now.

"Steve Chandler's brilliant book accurately describes the process of liberation from the only addiction that truly exists, the addiction to the mis-belief that we are all anything less than inherently loving beings regardless of what we say, think, or do."

~ Dr. H. Ronald Hulnick

President, University of Santa Monica and co-author with Dr. Mary R. Hulnick, of *Loyalty To Your Soul: The Heart of Spiritual Psychology*

"Human, funny, encouraging, and incredibly life-affirming, *Death Wish* is the best book about the path through addiction to a life worth living I have ever read."

~ Michael Neill

Bestselling author of *The Inside-Out Revolution* and *The Space Within*

"Steve Chandler's book *Death Wish* is wonderful; a dose of down-to-earth, no-holds barred spirituality, chock full of wisdom, humour and irreverence, done in the way only Steve can do it. If you've ever struggled with addiction, know someone who does, or work with people who do, you're in for a treat."

~ Jamie Smart

Author of *The Little Book of Clarity*
