## **God Goes to the Dumpsters to Find His Jewels** Eva Gutierrez

Eva Gutierrez had to ask herself these questions very early in her life. Born into poverty, she never knew how it felt to experience the wealthy privileges of this life, privileges that most people take for granted. Bombarded by trials and tribulations throughout her childhood and early adult life, she was forced to live through tragedy after tragedy without help from anyone. The Lord found her in the midst of her despair. He recognized her shining heart that was full of love and gave her a purpose in life, one that drew her to her feet and out of the darkness. He polished away the rough edges to reveal the diamond underneath. Eva has written her story to inspire her readers to follow in her footsteps. She wants them to see their own beauty and accept themselves for who they are, trash and treasure included.
