My mom says she is an alien, but I am not so sure. She does sound funny when she speaks, and she eats weird food. Sometimes I think I see antennae sticking out the top of her head. She does not drive a spaceship, though, just a minivan. How can I really tell if she is an alien or not? You be the judge! *My Mom Is an Alien* humorously explores the concept of immigration to the USA from the perspective of an Australian woman. 32 pages 7 x 10 Color 16 illustrations by Dylan Matukaitis
