A Father's Message Gerald L Jackson

Have you ever asked yourself what things would be like if your father was around or active in your life? In this book, you will find a father's heartfelt message that is priceless to anyone's ear. There are many children in society today who are raised in single parent homes seeking father figures, mentors and role models. This book was written to help children be comfortable in their own skin, have confidence in who they are; and understand that success does not happen overnight. Most importantly, this book helps explain to children that even during those times when you may feel you are all alone, Our Father has never left their side. "I'm a young father, trying to be a good father, with the guidance of OUR FATHER." My main objective is to reach out to our young people, planting positive seeds that will encourage and push them into greatness.
