Chorale at the Crossing

Peter Porter

Chorale at the Crossing Peter Porter

When Peter Porter died in 2010 his reputation as one of the greatest Australian poets had long been settled. *Chorale at the Crossing* gathers together the work Porter completed after the publication of his widely-praised final collection *Better than God*, and shows a remarkable and capacious mind—apparently furnished with half the contents of Western culture—still working at full tilt, despite the imminence of his own passing. *Chorale at the Crossing* contains love poems, comic excursions, and meditations on art, death, music, and nature, all written with Porter's phenomenal technical facility and immense good humor. *Chorale at the Crossing* is the last word from one of our wisest and most compassionate poets—and is, quite simply, necessary reading.
