*Spectral sights from the creepy coast!*

Whether you're strolling around Portland or are an armchair visitor, this guide will bring you all the thrills and chills of one of the most haunted cities in the country. Steeped in history, the Oregon coast has been the site of eerie events over the centuries. Relive early Portland at Tryon Creek State Park, where the ghostly voices of loggers and the whinnying of horses can still be heard. Spirits linger in Prohibition-era Shanghai Tunnels, where prostitutes and immigrants were bought and sold. The Gray Lady still tends to the windswept Heceta Head Lighthouse, watching over her infant's grave. Author Jeff Dwyer explores these lingering phantasms and others in this sepulchral volume of history and mystery.
