This edition is written in English. However, there is a running French thesaurus at the bottom of each page for the more difficult English words highlighted in the text. There are many editions of Men of Iron. This edition would be useful if you would like to enrich your French-English vocabulary, whether for self-improvement or for preparation in advanced of college examinations. Webster's edition of this classic is organized to expose the reader to a maximum number of difficult and potentially ambiguous English words. Rare or idiosyncratic words and expressions are given lower priority compared to "difficult, yet commonly used" English words. Rather than supply a single translation, many words are translated for a variety of meanings in French, allowing readers to better grasp the ambiguity of English without using the notes as a pure translation crutch. Having the reader decipher a word's meaning within context serves to improve vocabulary retention and understanding. Each page covers words not already highlighted on previous pages. This edition is helpful to French-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL® or TOEIC® preparation program. Students who are actively building their vocabularies in French or English may also find this useful for Advanced Placement® (AP®) tests. TOEFL®, TOEIC®, AP® and Advanced Placement® are trademarks of the Educational Testing Service which has neither reviewed nor endorsed this book. This book is one of a series of Webster's paperbacks that allows the reader to obtain more value from the experience of reading. Translations are from Webster's Online Dictionary, derived from a meta-analysis of public sources, cited on the site.

From reader reviews:

Esther Price:

Book is definitely written, printed, or descriptive for everything. You can recognize everything you want by a book. Book has a different type. As it is known to us that book is important point to bring us around the world. Beside that you can your reading talent was fluently. A book Men of Iron (Webster's French Thesaurus Edition) will make you to be smarter. You can feel much more confidence if you can know about anything. But some of you think which open or reading some sort of book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you seeking best book or ideal book with you?

Kirk Fonseca:

What do you consider book? It is just for students as they are still students or the item for all people in the world, what the best subject for that? Only you can be answered for that problem above. Every person has several personality and hobby for each other. Don't to be forced someone or something that they don't want do that. You must know how great along with important the book Men of Iron (Webster's French Thesaurus Edition). All type of book are you able to see on many sources. You can look for the internet resources or other social media.

Samuel Rascon:

This Men of Iron (Webster's French Thesaurus Edition) is completely new way for you who has interest to look for some information since it relief your hunger of information. Getting deeper you onto it getting knowledge more you know or else you who still having bit of digest in reading this Men of Iron (Webster's French Thesaurus Edition) can be the light food to suit your needs because the information inside that book is easy to get by simply anyone. These books build itself in the form that is certainly reachable by anyone, that's why I mean in the e-book form. People who think that in book form make them feel sleepy even dizzy this publication is the answer. So there isn't any in reading a book especially this one. You can find actually looking for. It should be here for a person. So , don't miss the idea! Just read this e-book type for your better life along with knowledge.

Jeremy Bedford:

A lot of e-book has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the most effective book for you, science, amusing, novel, or whatever through searching from it. It is identified as of book Men of Iron (Webster's French Thesaurus Edition). Contain your knowledge by it. Without making the printed book, it could add your knowledge and make an individual happier to read. It is most important that, you must aware about book. It can bring you from one destination for a other place.
