This series consists of core and plus books for each year to cover the whole ability range allowing a parallel but fully differentiated approach. A teacher support file supports each set of books. They are suitable for the experienced or non-specialist teacher. A range of varied, challenging discussion exercises, puzzles, practicals, investigations and games are included. Hints, tips, reminders and notes are provided throughout. Support for ICT, calculators and graphical calculators is included. There are review questions after each exercise for homework or further classwork, and support sheets for the lower ability.
