## SWEDENBORG'S DREAM DIARY (Swedenborg Studies) LARS BERGQUIST

Swedish man of letters Lars Bergquist explains the often enigmatic but always fascinating dream journal kept by Emanuel Swedenborg from 1743 to 1744. A scientist, Swedenborg meticulously recorded his dreams and visions, adding interpretations that foreshadowed modern dream analysis. After an Easter vision in 1745, Swedenborg abandoned his scientific studies and dedicated his life to studying the inner meaning of Sacred Scripture. In his diary, he reveals his daily life and the reflections that are a key to understanding his later spiritual works.

"The book enables us to follow Swedenborg...from dismal gloom to inner splendor."

--Gunnar Bronerg, Upsala Nya Tidning
