A writer's pen, is an up lifting book that touches on every aspect of life. The poems are about love, spiritual, and fantasy, that can take you to another frame of mind. These poems are to help people through difficult and joyful times in their life. Every poem has a message at the end that will make you think about your life. The majority of the poems are not all based on my life, but how I view it. The spiritual poems are difficult times I have experience of love ones that passed away. I know these poems will help someone that might be going through a loss in their life. The fantasy poems are a figment of my imagination, as I sit in my chair and let my mind go free. In with everyday life routine, when you just want to escape, these poems will take you to another place. The love poems are based on new beginnings of romance and disappointments of something that was never meant to be. The inspirational poems are to inspire someone to achieve, and to reach for their highest dreams in life. Sometimes we face challenges that can keep us from succeeding. My goal is to write this book to touch people lives, and to expand their mind of thinking.
