New to America? Want to serve newcomers? Curious about the history of Coptic immigration to the U.S.A.? Trying to adapt yourself to your new environment? Coptic Orthodox Christians have been immigrating to the United States in droves over the last few decades, and their ability to adapt to their new environment has varied greatly. Bishop Youssef, the first bishop of the Coptic Orthodox Diocese of the Southern U.S.A., has incorporated years of experience observing and guiding Coptic immigrants into a book that details the history of Copts in the U.S.A., and also provides a comprehensive outlook at how Copts can adequately adapt to their new home. His Grace also shares his vision of the future of Coptic Orthodox Christianity in the land of immigration and how people can fruitfully serve those around them.
