Bridging Infinity

Bridging Infinity

The latest volume in the Hugo award-winning Infinity Project series, showcasing all-original hard science fiction stories from the leading voices in genre fiction.

Sense of wonder is the lifeblood of science fiction. When we encounter something on a truly staggering scale - metal spheres wrapped around stars, planets rebuilt and repurposed, landscapes transformed, starships bigger than worlds - we react viscerally. Fear, reverence, admiration - how else are we to react to something so grand?

Bridging Infinity puts humanity at the heart of these vast undertakings - as builder, as engineer, as adventurer - reimagining and rebuilding the world, the solar system, and even the entire universe.

This continuation of the award-winning Infinity Project anthology series features bold new stories from **Stephen Baxter, Elizabeth Bear, Gregory Benford, Zachary Brown, Pat Cadigan, Kameron Hurley, Scott Lynch, Vonda N. McIntyre, Hannu Rajaniemi, Allan Steele**, and many more.
