Dyspraxia 5-11: A Practical Guide (David Fulton / Nasen) Christine Macintyre

Following on from the author's *Dyspraxia in the Early Years*, this book takes a very practical view of dyspraxia in children aged 5 to 11 and considers ways of helping teachers and parents to understand this complex condition. The text is based on a developmental framework and areas covered include making friends, coping with the curriculum and boosting the child's self-esteem. It will provide advice and guidance on how to ensure that the most effective support is given to the child in school.
