For decades, they have watched us from the darkness. The outsiders have arrived and claimed the moons of Jupiter as their own, and anyone and anything that ventures beyond the asteroid is hunted down and destroyed. No one knows who the outsiders are, where they come from--or what they'll do next.

But Captain Elena Gonzales is going to find out. She and the crew of the Gabriel have been chosen to journey to Jupiter, and to finally confront the unknown monsters that wait for us beyond the edge of the map.

What she learns there will forever alter her people's destiny. She will either unite humanity in the face of the outsiders, or allow them to shatter the Earth's fragile peace.
